 Cumulative impacts analysis draft comments 6 23 20.docx

Hi Valois, attached is the working draft of the RTC. No need to review before our meeting, but if you wanted to take a quick look at the document so far, I have several questions starting on p. 25 – the climate change section—I am also flagging comments in other prior sections for you and Lucita's attention as well.

Thanks so much!

Mai Denawa
